

Shipping Policy for PA Dutch Baskets

When do we ship?

Our gift baskets are shipped Monday-Friday. Orders must be received by 11am on Friday to ship on the same business day.

Where do we ship to?

PA Dutch Gift Baskets can be shipped to the 48 states within the continental United States. We apologize that our products cannot handle being shipped to Alaska, Hawaii, Puerto Rico, the U.S Virgin Islands, or other Pacific Islands that are part of the U.S.

How do we ship?

Most of our orders ship via UPS. However if the gift basket weighs less than 5 pounds we may ship via USPS.

Rates to ship?

We are happy to offer a flat rate for shipping. With the many increases to shipping cost over the past year, our company has decided to absorb part of the shipping fees by offering a flat rate. Most gift baskets offer an \$18 flat rate fee. However, there will be some gift baskets that will be less depending on our cost. You will always see the amount of shipping for each gift basket on the check out page for that gift basket.

How to track an order that's been shipped?

If you supplied your email upon checkout, you will receive a UPS tracking number once the order is shipped.

Expected Delivery Time

We ship from Lancaster, PA and shipping time depend on the zone in which the delivery is going. Most states along the east coast will have a one to two day delivery. Midwest usually between 3-5 days and the west coast 5-7 days. Depending on the expected delivery time, we will wrap your gift basket with a foil protection and add the appropriate ice to maintain the highest possible freshness.
